HEALTH OFFICE - MEDICAL FORM

Dear 5th Grade Parent/Guardian:

The New Jersey Department of Health and Senior Services has advised us of **new immunization requirements for children entering grade 6 in September 2008**. In addition to the immunizations your child has already received, he/she will require the following:

ONE DOSE OF MENINGOCOCCAL VACCINE

ONE BOOSTER DOSE OF Tdap VACCINE (tetanus, diphtheria, and pertussis)

Please contact your healthcare provider to arrange for your child to receive these required immunizations and provide proof of such (doctor's note/immunization card) to our school nurse. If you do not have medical insurance, the Monmouth County Health Department Immunization Program can assist with immunizations at no cost (732-294-5458).

Kindly acknowledge receipt of this information by signing the slip below and returning it to your child's teacher.

Sincerely,

Student's Name: _____

I acknowledge receipt of information concerning new immunization requirements for children entering grade 6 in September 2008 and will have my child immunized and provide the necessary proof to the nurse.

Parent/Guardian Signature: _____ Date _____
